

Emily,

**We just learned that we're halfway to the \$60,000 goal.**

My prayer is that none of these matched funds would be left unclaimed. If you're able to help meet this \$60,000 match goal, it will mean a full \$120,000 will go to work immediately, providing medical care around the world.

**Will you help us meet this \$60k goal before midnight?**

When you give, your donation will be put to work immediately to help save lives.

Emily, If you've already made a gift today, THANK YOU! Your generosity is being put to work to care for people in crisis. If you haven't had a chance to give yet—or want to give again—don't delay! **Gifts will be matched dollar-for-dollar** until we reach a total of \$60,000—but only until midnight tonight!

Dare to love like Jesus by showing compassion to our neighbors who are sick and hurting. **Give now to double your gift.**

Many blessings,
