

MEDICAL TEAMS
International

**DOUBLE
your gift**

**GIVING
TUESDAY**

Help reach the goal of
\$60,000 raised to save lives

Emily,

We need your help. The clock is ticking, and the chance to double your gift expires at midnight tonight.

If you've already made a donation in honor of Giving Tuesday, THANK YOU! We are so grateful for your compassion to save lives.

Haven't had the chance to give yet? Or want to give again? There's still time to have your gift matched dollar-for-dollar! ~~Don't miss your chance~~, **[DOUBLE your gift now >>](#)**

When you give, your donation will be put to work immediately to provide life-saving medical care for people in crisis. That means:

- Refugees fleeing violence receive medical treatment for injuries
- Children who are sick with deadly diseases receive medication
- Babies born too soon have the medical supplies and around-the-clock care they need to survive
- Unhoused people with severe tooth pain get the urgent dental care they need
- And so much more

Your gift will provide loving and life-saving care that reminds people that they matter.

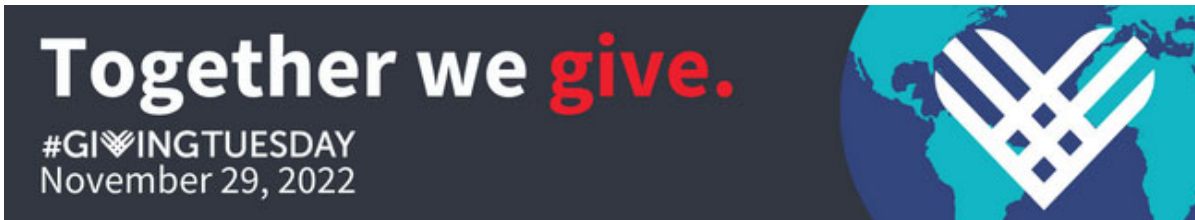

None of this work can happen without you! **As we near the end of Giving Tuesday, I'm urging you to give now and double your impact.**

Thank you for daring to love like Jesus by caring for our brothers and sisters around the world who are hurting.

Blessings,

Martha Holley Newsome
 President & CEO
 Medical Teams International

P.S. Giving Tuesday ends at midnight, and so does this special match opportunity. **Please give now to double your gift and save lives!**
